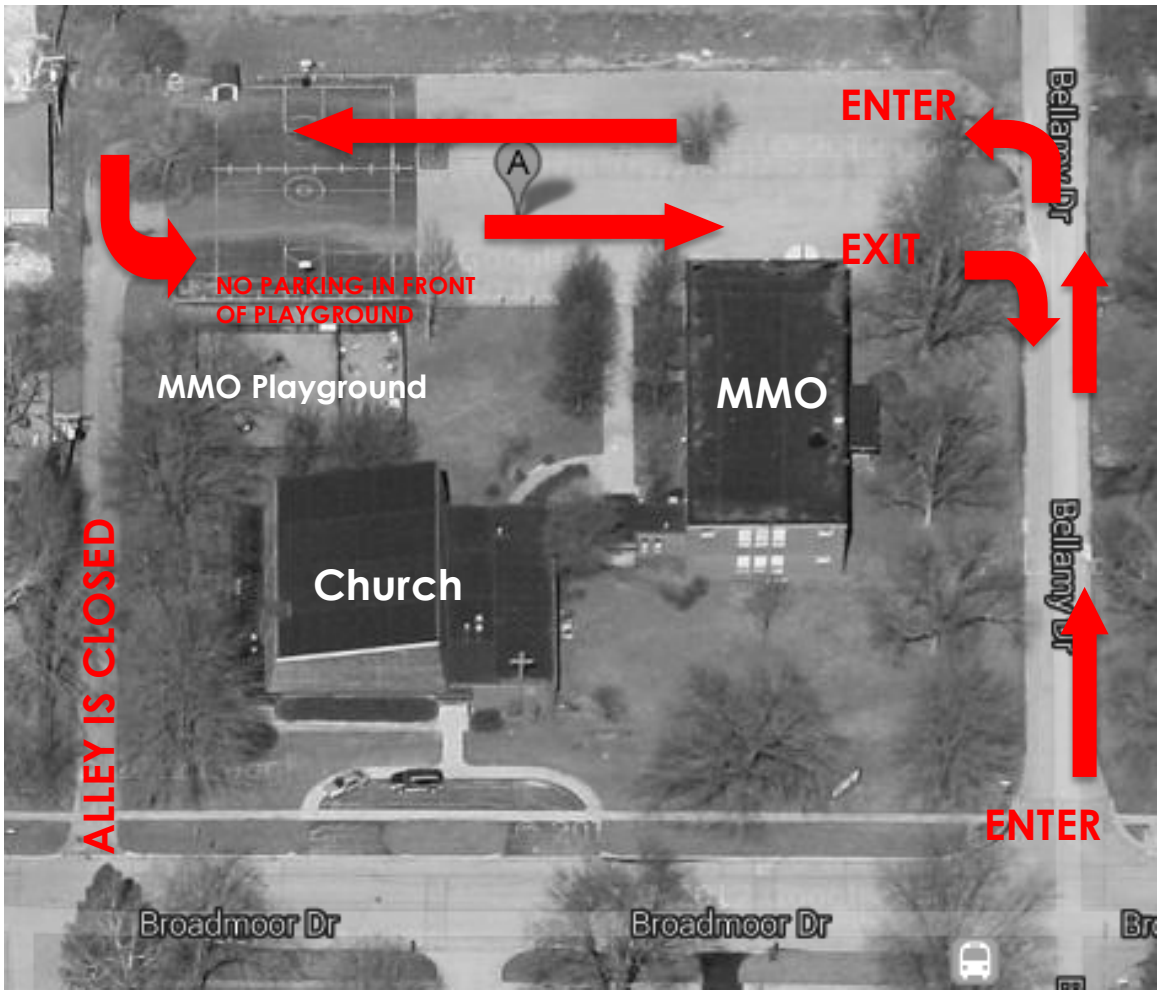
MMO Parking Lot Info 2017-18



Parking lots can be dangerous places for young children. Please use the following instructions when you're dropping off or picking up kids:

ENTER from Bellamy Drive (east of MMO)

Enter the parking lot using the **NORTH ENTRANCE** (the second one)

Traffic goes ***one way*** west, around the tree and back east and **EXIT THE SOUTH ENTRANCE** (closest to the building)

There is **NO PARKING** in the row of spots directly in front of the playground.

Please **DO NOT** use your cellphone when driving in the MMO parking lot.

Once your child has been dismissed to you, she/he is your responsibility. PLEASE make sure you are watching your child and holding his or her hand in the parking lot - and **NEVER** leave children alone in cars.
