PRESCHOOL

OUR CURRICULUM

My Morning Out Preschool is open to children from 2 ½ to Pre-Kindergarten. Children attend 2-Day, 3-Day or 5-Day classes from 8:30 to noon. Preschool at MMO focuses on learning through play. Through our use of the Creative Curriculum ® and developmentally appropriate practices, we encourage children to explore, create, and discover. We prepare children to be independent, self-confident, curious learners - in Kindergarten and beyond.

OUR CLASSROOMS

The **BIG FISH** are our oldest preschoolers, who are getting ready for Kindergarten. They will explore concepts in literacy, math and science through fun, hands-on games and activities, field trips and special events. **BIG FISH** are encouraged to express their creativity through art, music and pretend play. The **BIG FISH** have the option of attending 3-Day or 5-Day classes. *We strongly recommend BIG FISH attend 5-Days second semester.*

The **ANGEL FISH** are 3 and 4 year olds. They will be introduced to literacy, math, science and creative expression through books, games and fun activities. The **ANGEL FISH** will also focus on playing independently and working together. The **ANGEL FISH** have the option of attending 2-Day, 3-Day or 5-Day classes.

The **CLOWN FISH** are older 2 year olds (2 ½ by 12/31). They will focus on being comfortable at school, building friendships and expressing themselves. ABC's and numbers will be introduced through games and songs. The **CLOWN FISH** have the option of attending 2-Day, 3-Day or 5-Day classes.

DROP IN

Our Drop-In program is flexible and unique among childcare services in the area. We are guided by the Creative Curriculum ® - so kids play with a purpose each day!

HOW IT WORKS

You simply pay a registration fee to reserve your child's spot in the program. You may drop your child off any time, Monday through Friday from 8:30 to noon. You pay an hourly rate for the time your child is at MMO. No advance scheduling is needed. A minimum usage fee of \$100 will be assessed for children who do not attend 13 hours (roughly the equivalent of one day a week) each month.

DROP-IN CLASSROOMS

Children are grouped in classrooms according to their ages. The GUPPIES are generally 12 months or less. MINNOWS are 12-18 months, GOLDFISH are 18-24 months and JELLYFISH are over 2.
