NOVEMBER 2017

THANK YOU – We had a very successful and fun Homecoming Parade and Fundraiser – we raised over \$1,800 – THANK YOU!!!

And thanks to everyone who volunteered and donated for the Halloween Bash – it was a lot of fun!!!

SICK POLICY – It's that time of year when the leaves start falling, the temperatures drop and the germs go crazy! Please take a moment to read the MMO Sick Policy, which you can find online at mmo.org/resources. If your child is ill and has a fever, you need to wait 24 hours after the fever ends before sending your child back to school. Same goes for diarrhea. We can really limit germ-spreading by making sure to wash hands before coming to the classroom. We also spend a lot of time reminding children to use and dispose of Kleenexes and cover their coughs. Every little bit helps – thanks!!!

MEATHEADS – Friday, November 3 from 4-10! Bring in the flier that you can find outside the classrooms, or at mmo-cu.org (or snap a picture on your phone) and MMO gets a percentage of the sales.

AFTER CARE – We do a monthly rotation of teachers who provide After Care, so you'll see some new faces – the Goldfish teachers will be handling After Care starting this week.

SAVE THE DATE – The Holiday Sing-a-Long is Wednesday 12/20 and Thursday 12/21 at 11:30.

Support MMO...by shopping!

MMO has an Amazon Smile account. This means if you go to Amazon through this link: [Amazon Smile-MMO](#), MMO gets a percentage of the sale. It's a really easy way to support MMO!
